Mentors provide a crucial piece that we sometimes lack:

How do you get mentored as you get older?

1. GET MENTORED THROUGH

- What does this person teach me about God?
- What does this person teach me about obedience?
- Which characteristics should I copy or which characteristics should I avoid?

2. GET MENTORED THROUGH

- How did they navigate difficulties?
- How did they finish?
- What are some life lessons I can learn?
